Recap on what last Year held:

Over the school holidays we hosted a fun movie day for the kids, featuring our brand-new 120-inch blow-up projector screen. It was a great afternoon of laughs, popcorn, and community time together.

We hosted a fun cooking group for kids during the school holidays, giving young chefs the chance to learn simple recipes and enjoy hands-on kitchen activities.

Thank You to ONE Office National
We extend our sincere thanks to ONE Office National for their generous \$1,000 donation to support our organisation. This contribution will help cover fuel costs for our food delivery van, which is currently at Ararat Ford undergoing important fittings, including refrigeration, to ensure it is fully equipped for service once on the road. We are especially grateful to Harry, Director of ONE Office National, for his generosity and ongoing partnership.
